

Cedar City Happenings

A number of views of the gypsum beds in Coal Creek canyon have been sent this week to Los Angeles, to parties who are trying to finance a cement plant for this locality.

Mr. and Mrs. R. H. Benson of Parowan, who have been visiting with their children in Cowley, Wyoming, passed through Cedar City last Monday night en route home.

Tickets for the basket ball game tomorrow night will be on sale at the Cedar Mercantile & Livestock Company's store tomorrow at 12 o'clock. No more than three tickets will be sold to any one person at a time.

A petition is in circulation in Cedar City this week addressed to State Engineer Beers, asking that the road for a few miles north of the city be covered with shale. The improvement is one that The Record has already called attention to and ought by all means to receive favorable action. It will no doubt be signed by every person to whom it is presented.

Mr. C. D. Burkholder, of Cedar City, is a guest at the Beaver Hotel. He is visiting his friend, the proprietor. Mr. Burkholder is the owner of five iron claims in the iron district of Cedar. He expects to realize a nice nest egg some of these times from his iron deposits. The new railroad is all that stands in the way of an enormous growth in the south of this state.—Beaver County News.

Mr. Rawls, whom we reported as being lost on the road from Beaver to Buckhorn, was brought in with a broken leg. He started from Beaver at 5 o'clock in the afternoon and did not reach Buckhorn that night. He was unfortunate enough to have the pole of his buggy broken in a wash and had to lie out all night with a broken leg. He was found at 10 o'clock the next day and brought to Beaver.—Beaver County News.

Frank G. Carpenter, the noted writer, is preparing an exhaustive writeup for one of the well-known magazines on Southern Utah, its resources, scenic attractions and progress, and has applied to the local Commercial Club for photographs of all places of interest to be used in connection with his article. The request is being complied with so far as possible, and it is likely that Southern Utah will receive a lot of valuable advertising by this means.

The Cedar City Co-op will please accept of our belated thanks for one of their beautiful and expensive calendars issued at the first of the year. It so happened that our better half appropriated the souvenir, and our attention was not called to it until some time later. It is one of the handsomest and most expensive calendars issued in Cedar City this season, being a beautiful painting beneath glass, and will be treasured as a souvenir by each fortunate recipient.

B. A. College News.

Although the B. A. C. basket ball team was defeated last Saturday night, by the Murdock five, by a score of 19-47, they have not by any means lost their courage, and will clash with the "Dixie" boys next Saturday night in the first league game. This is sure to be a close and interesting game, and the students as well as some of the towns people, are very much concerned as to its outcome.

After the game Saturday night, the Theta Upsilon Society will give a dance in the B. A. C. auditorium in honor of the visiting team. The proceeds of this

dance will be used in the purchase of books for the library. In addition to the dancing, dainty refreshments will be served.

The Veterinary Clinic, which was held last Saturday on the school grounds was very successful and well attended. Thirty-five animals were signed up, 25 of which received treatment. About 12 animals went away without being signed up. These Clinics are very instructive, especially to the stock raisers of this district, and to those students who are specializing in Veterinary Science.

The Litae Society session, which was advertised for last Tuesday, was postponed for one week, when the following program will be given: Song, Mrs. Ada Wood Webster; paper, The Irish School Writers, Miss Jean Brown.

In chapel Tuesday Rev. Rice of the Presbyterian Church gave an excellent discourse on Books.

On Thursday & Friday of this week, the English class periods were devoted to the writing of letters. Each student wrote two letters to friends or acquaintances, residing in near by towns, advertising the "Round-up" which is to be held at the school from Feb. 23, to March 7. By this means and other ways of advertising we expect to secure a large attendance at the "Round-up."

The students almost wilt when they read the questions which are posted for the Semester examinations. Twenty-five questions have been posted for each subject, from which will be selected ten questions for the examinations.

Modena

Modena, Jan. 14.

The patrons of the Perry stage line between Modena and St. George will be glad to hear that a man has just arrived to put the car into service on the line. He expects to have it going in the morning.

Mr. and Mrs. Will Lund left for Salt Lake City last Wednesday evening. Mr. Lund will attend the convention of the National Wool-growers.

Miss Katie Hunter, who has been an employee of the Muldoon hotel for the past two years, is leaving this evening and does not expect to return. Mrs. Muldoon regrets losing Miss Hunter, but there are some inevitables.

Bishop Holt of Enterprise is here procuring lumber to aid in the completion of his new store in that city.

New Harmony

Mrs. Jo'n Bennett left here Saturday for Idaho. She went to attend her daughter, who is ill.

Mr. and Mrs. Joseph W. Prince are in Cedar City. Mrs. Prince underwent an operation recently at the Southern Utah Hospital for the correction of a trouble involving her liver. She has been troubled more or less with it for some years.

The Harmony Sunday School officers and teachers went to Kanarra Sunday to attend the Sunday School Union held there.

We are glad to see Eldon Schmutz about again. He has recovered very nicely from the accident that he met with recently during the rabbit hunt.

First League Basket Ball Game of Season Scheduled for Tomorrow Night

The first league game of basket ball of the season for the Southern league, will be played in the College gym tomorrow night between the B. A. C. and Dixie Academy teams. There have been two or three practice games between these teams, in which the honors are about even, but this is the first game of the season that will have a bearing on the standing of the respective teams.

Both schools have swift fives and thus far the honors are about even so that the game is sure to be a most interesting one and will draw a large crowd. It will be followed by a dance.

If you enjoy this form of sport procure tickets early and be sure of a chair as the hall is sure to be crowded.
